IF YOU ARE NOT SURE OF THE SPA BRAND /MODEL, CIRCLE THE SHAPE THAT APPLIES AND FILL IN ALL DIMENSIONS BELOW, USING OUTSIDE SPA LIP DIMENSIONS IN INCHES.

If none of the shapes apply a template will be required:

HOW TO MEASURE RADIUS CORNERS

To provide the information necessary on a radius corner, extend two imaginary lines to a point where the sides would have met had the corner been square. Provide the distance from the break of the curve (point A) to the imaginary point (point B). This will be your radius measurement.

Please draw your cover in this space, showing all dimensions. Specify the direction of the hinge with dotted lines.

_____ Initial

If you have any cutouts for a Badu, Exerswim, Ladder, Rails, Stairs, etc. you must indicate them on the drawing above with complete measurements for size and location.

Please note that all spa covers must be paid for in full before the cover is ordered. Covers will be made to the specification you provide on this form only. You are fully responsible for any and all costs involved in shipping the cover back to the factory, reworking or replacing the cover, and return shipping from the factory should the cover not fit. Once ordered, spa covers are non-returnable. Returns, store credits, or exchanges will not be allowed. The average shipping time from the date of order is approximately two to three weeks.
