MEDALLION POOLS

QUALITY AFFORDABLE POOLS SINCE 1960

Manufacturing Dreams

“No one brings fun to your backyard like we do...”

FAMILY LIVING AT ITS FINEST

Since 1960, Medallion Pools has been an innovative force in the pool & spa industry.

Beginning with a vision and desire to turn every backyard into a recreational oasis, Medallion Pools has withstood the test of time.

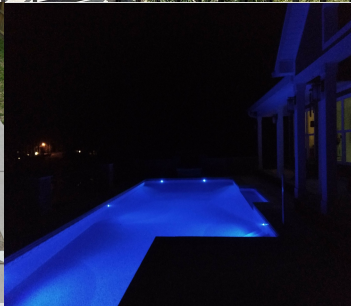

Through hard work and dedication, three generations of family have run Medallion Pools and are still driving the company into the future. Medallion's specialized manufacturing processes and modern technologies allow us to create pools at affordable prices for all families. Medallion understands that "Family" is what pools are all about.

Medallion Pools is proud to present our line of custom inground pools to you, in hopes of seeing a world with a pool in every backyard.

As you read through this brochure, please note your questions and comments as we are more than happy to bring clarity to you and to guide you into a special pool or spa that you and your family will enjoy for many years to come.

"If you can dream it, we can manufacture it..."
- John Mazza

Why Choose Medallion?

Choosing a Medallion pool is the easiest choice because we offer the most affordable, high quality options in the industry.

Medallion Pools is the only manufacturer that offers five different wall types to meet your requirements and highest expectations.

- 14ga Galvanized Steel
- 20ga Galvanized Steel
- Aluminum
- Super Aluminum
- Insulated Aluminum SmartWall

By using these materials we are able to better address considerations such as moisture, different types of soils, climate, budget...etc.

Over the past few years Medallion Pools has invested in the most modern, state of the art equipment in order to attain the most precise manufacturing tolerances in the industry.

The resulting flexibility regarding such tolerances allows us to design pool shapes never before possible in the industry.

Make the best choice for your family with Medallion Pools.

1960 - Medallion Pools is founded by John Mazza Sr. as a local swimming pool builder manufacturing and installing wood wall pools.

1976 - Medallion Pools develops and produces its first aluminum wall pool while still offering wood wall pools.

1979 - Medallion Pools becomes one of the first companies in America to produce a spa, and the first to offer liner spas.

1979

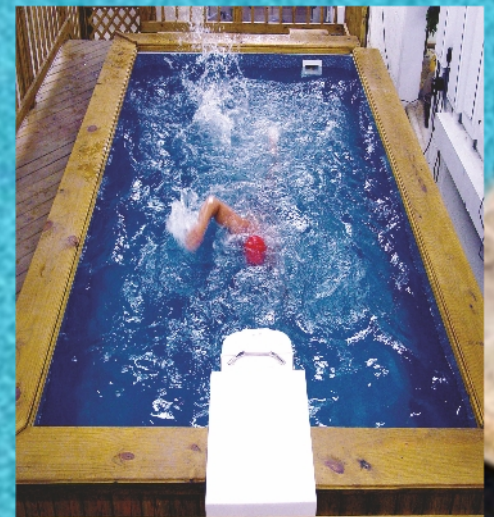

1991

1974 - John Mazza Jr. graduates college and becomes a full time employee of Medallion Pools having worked there since the age of 9.

1978 - Medallion Pools develops and adds galvanized steel walls to its product line.

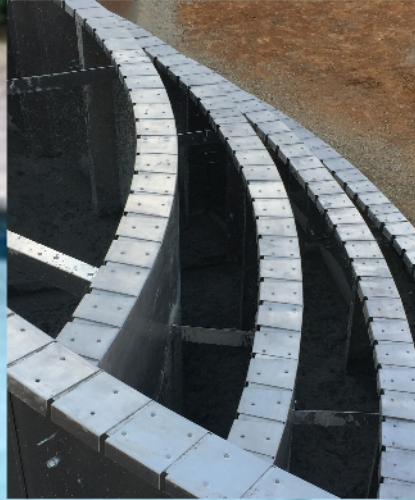

1991 - Medallion Pools develops and produces one of the first swim spas in the industry, the "Supreme Swim Spa".

1995 - Medallion Pools develops a proprietary adjustable A-frame brace that cuts production time and customer price by 50%.

2008 - Medallion Pools develops and produces its 20 gauge galvanized steel wall. Sales exceed estimates by over 400%.

2022 - John Mazza III becomes President of Medallion Pools.

1995 2000 2003 2008 2019 2022

2000 - Medallion Pools purchases a new 100,000 square foot manufacturing and distribution center on I-95 in Colonial Heights, Virginia.

2003 - A third generation continues the work he started at 12 years old. A Radford University graduate, John Mazza III begins his full time career at Medallion Pools.

2019 - After more than two years of research and development, Medallion Pools develops the SmartWall. This fully insulated wall is one of the most unique in the industry and is available in virtually any shape or size.

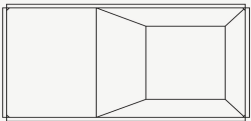

“Every day is a vacation when there is a resort in your back yard.”

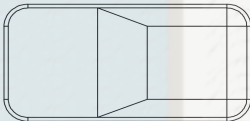

We pride ourselves on manufacturing custom pools. Here are just a few of our over 300 standard shapes.

Medallion Swim Pool Company, Inc. tries to associate with the best pool contractors and dealers. Dealers and contractors installing or selling Medallion Pools are independent business people. Medallion Swim Pool Company, Inc. does not assume any responsibility for the installation, service performed, statements and/or opinions made in reference to our products by these independent contractors and dealers. It is up to individual contractors/dealers to meet all national, state and local building codes when installing any Medallion pool. Decking, siding, brick work and any other forms of finished work and material around the pools shown are for illustrative purposes only and are not a part of the pool package. It is up to the independent contractor or dealer to provide safety ropes, floats, safety diving and safety instructions. It is the homeowner's responsibility to make sure all safety signs are in the proper location and maintained. It is the homeowner's responsibility to guard the pool against unsupervised, unauthorized or unintentional entry. Please note that failure to obey safety/warning signs and rules can cause permanent injury or death.
